ABOUT US

MUSIC Worship is an interactive, participatory experience. We invite you to join in as we praise God through singing by following the on-screen lyrics.

OFFERING We give tithes and offerings as an act of worship, obedience, celebration, and thanksgiving to the Lord. You can give during the service or anytime via our app and website. In addition to tithes and offering, you can now designate giving to missions and the building fund with our online giving. TXT to GIVE is also available for your convenience. *If you are a guest, you are welcome to participate but under no obligation to give.*

MESSAGE The teaching time seeks to communicate God's Truth in compelling, relevant ways.

PRAYER During service today members of our altar team are wearing red lanyards. They are available and willing to pray with you for any need or struggle in your life. Just ask.

COMMUNION We have communion available and welcome you to participate in this act of worship and remembrance.

WHAT NEXT?

Please fill out a Guest Card and place it in the offering. We welcome all of our guests!
